ARTICLE VII National Convention Delegates

Section 1. Eligibility.

- A. Each State association shall be entitled to representation by one delegate for every 100 members or major fraction thereof and one delegate-at-large. Membership shall be based on the number of dues withholding and cash pay Bargaining unit and Retired Members. In order for a state to receive credit for cash pay members, dues must be received no later than the close of business on the first day of the Convention.
- B. Only Bargaining Unit Members and Retired Members in good standing may be nominated, elected or seated as delegates. Such "good standing" status shall be the sole prerequisite for determining eligibility or entitlement to service as a delegate or to any payment or benefit, except that a state may establish reasonable rules to ensure attendance at the convention.
- C. A member who from the time of nomination through the end of the convention holds any position in USPS management or a job which competes with the USPS, or this association shall be ineligible to serve as a delegate.

Section 2. Nomination.

- A. Within each state association, nominations for National Delegate shall be submitted by U.S. Mail to the post office box specifically opened for this purpose on a nominating ballot or copy. The nominating ballot shall be signed and show the name and address of the member making the nomination and may include self-nomination. The nominating ballot shall be published in the February, March, April, and May issues of The National Rural Letter Carrier.
- B. Nominations must be received in the post office box specifically opened for this purpose at least 50 days prior to the opening of the state convention. Upon receipt, the State Secretary-Treasurer shall send a notice of nomination to the candidate by U.S. Mail.

Section 3. Election.

- A. A member must be on the rolls at least 50 days prior to the opening of the state convention in order to be eligible to vote for National Delegates.
- B. The State Secretary-Treasurer shall prepare a ballot listing the candidates for National Delegate in random order. Instructions on each ballot shall include the number of delegates to be elected, the deadline for return of the ballot and the mailing address of the designated post office box. The number of votes cast on each ballot shall not exceed the number of delegates to which the state association was entitled at the previous convention.
- C. The State Secretary-Treasurer shall cause the ballot to be mailed to eligible members at least 25 days prior to the opening of the state convention. In addition, the State Secretary-

Treasurer/designee shall arrange for the rental of a post office box for the receipt of the ballots and another for the return of undeliverable ballots.

- D. An envelope marked "Ballot" shall be provided in which to seal the ballot. To permit verification of membership and to maintain the integrity of the voting procedure, an outer envelope, also marked "Ballot" which clearly identifies the name and address of the member, shall also be provided. The sealed envelope containing the ballot shall be placed in the outer envelope by the member and mailed to the designated post office box.
- E. An election committee shall be appointed by the State President. No candidate for National Delegate may serve on the election committee. After the deadline for receipt of ballots, the election committee shall collect and tabulate the ballots at the state convention. The post office box designated for the return of ballots shall be accessible only to the election committee.
- F. Any candidate or designee may observe the ballot tabulation. In reporting the results of the election, the candidates shall be placed on a roster in the order of votes received. The number of delegates to which the state is entitled shall be declared regular delegates; the remaining candidates shall be declared alternates.
- G. Each state association shall be entitled to one Delegate-at-large from the roster of elected regular delegates. That position shall be filled by a state officer in ranking order, beginning with the State President. A state officer may not be automatically declared a delegate by virtue of office unless elected by direct vote of the membership. National-paid delegates shall be named in accordance with the plurality of votes received.
- H. The State Secretary-Treasurer shall prepare and send credentials to the National Secretary-Treasurer for the Delegate-at-Large, regular delegates and an appropriate number of alternates immediately following the state convention. The credentials shall be embossed with the state's seal to verify authenticity. Delegates-at-Large and regular elected delegates presenting identification to the Credentials Committee at the National Convention shall be certified and seated.
- I. Delegates holding proper credentials shall be seated at the National Convention if their state has paid National Per Capita Tax for members in good standing. The National Secretary-Treasurer shall notify each state association of the status of its National Per Capita Tax at least two weeks prior to the National Convention.
- J. The mailing will show a return address of a post office box opened specifically by the host county committee in or near the host convention site for the exclusive purpose of receiving any undeliverable ballots. Voted ballots shall be returned to a post office box, in or near the convention city, specifically opened for the purpose of receiving voted ballots.
- K. The post office boxes will be closed and the ballots in the post office boxes must be picked up by the election committee by noon two (2) days prior to the first business session of the state convention.
- L. In the event a member does not receive a ballot to elect National Convention Delegates, the State Secretary-Treasurer will mail a second ballot. The address label on the second ballot will be color coded to distinguish it from the first in the event both ballots are received by the election committee. If both ballots are received by the election committee, the first ballot will be destroyed and the second color-coded ballot will be counted.
- M. Ballots shall be verified for membership by the NYRLCA Secretary-Treasurer and shall then be counted at the State Convention by the election committee. The Election committee shall consist of at least three (3) members appointed by the NYRLCA president.
- N. In the absence of all state officers (President, Vice President, Secretary-Treasurer, three Executive Committee members in order of seniority, in that order) the delegate with the

highest number of votes shall be the delegate-at-large and other National paid delegates to which the NYRLCA is entitled shall be designated by the highest number of votes received.

Any elected National Convention Delegate(s), other than the National Paid Delegate(s) shall be paid mileage and per diem, as long as they are a member in good standing, as defined in Article III, Section 1 of the NYRLCA Constitution. Such “good standing” status shall be the sole prerequisite used in determining eligibility for or entitlement to serve as a National Delegate or to a payment, benefit, or other entitlement of any kind.
